

**Empowering patients to
help manage their diabetes**
with the TRUE+A1CNow™ Self Check system

For most people with diabetes, the American Diabetes Association recommends performing an A1C test two to four times per year depending on their glycemic control.¹

With the TRUE+A1CNow™ Self Check, people with diabetes can...

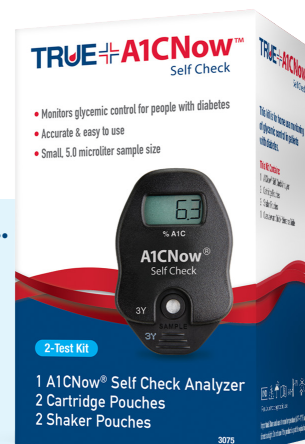

- Administer A1C tests at home two times a year
- Save time! Less traveling back and forth from in-office visits and lab appointments

For Home Use

- Results in 5 minutes
- Small (5 µL) fingerstick blood sample
- No maintenance
- Room temperature storage
- Small, compact, and battery-powered
- Affordable and easy-to-use
- FSA/HSA eligible

TRUE+A1CNow™ includes...

- 1 A1CNow analyzer
- 2 test cartridges
- 2 lancets
- 2 blood collectors and shakers

Results You Can Trust:
NGSP-certified
